

ITDE Dissertations, 2001-2003

Atols, Sandra L. (2001). *Precipitating the Integration of Learning Technologies into Middle School Teachers' Curricular Instruction by Implementing an On-going Staff Development Program.*

Ayers, Lee E. (2001). *Improving the Ability of Officers to Transition From Field-Based Experiences to Supervisory Positions through Training.*

Devaney, Susan W. (2001). *Web-Based Continuing Education for Nursing Home Administrators in Missouri: A Pilot Project.*

Ellenberger, Sheila J. (2001). *Improving the Lifelong Learning Skills of College Students through an Online Delivery of Course Assignments.*

Escalona, Svetlana Loginow. (2001). *Programa de Formacion en Nuevas Tecnologias de Informacion y Comunicacion Aplicadas a la Educacion a Distancia, Dirigido a Profesores de Educacion Superior a Distancia Pertenecientes a la Carrera Educacion, Mencion Dificultades de Aprendizaje.*

Fisher, Dulcie Norma. (2001). *The Use of Cooperative Learning Strategies to Effect Changes in the Level of Participation in Social Studies Option Classes of Pre-service Teacher.*

Flores, Mireya. (2001). *Un Curso de Induccion para la Universidad del Futuro.*

Lind, Debbie. (2001). *Development and Implementation of a Program to Increase Communication and Collaboration among Early Adopters of Instructional Technology at the Elementary Level.*

Ragan, Victoria A. (2001). *Using Training and Collaboration to Increase the Use of Network Resources in an Elementary School.*

Reid, Joan. (2001). *Increasing the Independent Living Skills of Lower Functioning Students in a Special School, Through Teacher Training, Motivational Strategies, Parent Involvement, Hands-On Experiences, and Music.*

Angelica, Salvatore. (2002). *Enhancing Achievement in Algebra Through The Use of Student-Created Multimedia Projects.*

Baker, Melvin B. (2002). *Increasing the Use of Video Conferencing to Conduct Business Meeting through Changing Perceptions, Attitudes, and Behaviors.*

Bauck, Tamara J. (2002). *Diffusion of Videoconferencing Using the Digital Dakota Network*.

Crane, Patricia L. (2002). *Improving Cooperation Between Media Specialists and Teachers to Encourage Technology Integration in the K-12 Curriculum*.

Davis, Linda. (2002). *Enhancing Formal Staff Development in Technology for Elementary Teachers with an Informal Approach*.

Fairclough, Fredricka. (2002). *Improving Teachers' Ability to Create a Student-Centered Approach to Learning in Grade 7 Classes*.

Fish, Joseph Dale. (2002). *Reduction of Security Violations and Compromises in Special Security Offices Using Computer Based Training*.

Gedeon, John Anthony. (2002). *The Transfer of Training off Kaizen Improvement Skills Using Relapse Prevention by Supervisors in a Private Sector Enterprise*.

Giguere, Paul J. (2002). *A Communication Protocol in a Synchronous Chat Environment: Student Satisfaction in a Web-based Computer Science Course*.

Gulick, Robert T. (2002). *Improving Instruction Through the Use of Data-Based Decision Making Based on an Online Data Warehouse*.

Johnson, Diane. (2002). *Evaluating the Acquisition of Empathy and Assertiveness Skills by Students Taking a Required Communication Skills for Pharmacists Course, Application of the Instructional Design Process and Incorporation of New Technologies*.

Macavinta, Ossil V. (2002). *Lessening the Technological Gap That Exists Between Teachers and Students*.

Massmann, Paul F. (2002). *A Design for the Infusion of State Mandated Technology Standards into a Teacher Education Credentialing Program*.

Mills-Schenck, Cherie. (2002). *Improving the Completion Rate of a Web-Based Course by Increasing Student Motivation*.

Salvo, Jayne L. (2002). *Motivating Faculty to Integrate Multimedia Computer Technologies into the Community College Classroom*.

Sue-Ho, Lorna. (2002). *The Implementation of a Conceptual Change Approach to Improve Students' Understanding of Some Basic Chemistry Concepts*.

Thomas, Mary Etta. (2002). *Improving Information Access Skills of Fourth-Grade Students Using Systematic Research and Writing Procedures*.

Uttendorfer, Michael. (2002). *Increasing Faculty Adoption of Online Teaching and Learning Technologies*.

Wilkinson, John W. (2002). *Improving Online Market Research Skills of Acquisition Professionals through Training and Participation in Online Courses*.

Zuniaga, Milagros Martinez. (2002). *Uso de Estrategias de Búsqueda, Navegación y Procesamiento de la Información en la World Wide Web, a través de los Hipertextos, como Herramienta de Investigación*.

Brinkley, Douglas E. (2003). *The Effect of Computer-Mediated Communications on Graduate Student Interactions*.

Burgis, Kathy. (2003). *Using Online Spatial Visualization Activities in a Geometry Course for Elementary Teachers*.

Calderone, Theresa L. (2003). *The Role of Rural School Superintendents on the Diffusion of Distance Education in South Dakota*.

Carr, Jill L. (2003). *The Impact of Technology Workshops and Technology Integration in an Elementary School*.

Clark, Sharon A.. (2003). *Instructional Technology, Motivation, Attitudes and Behaviors: An Investigation of At-Risk Learners in the Middle School General Music Classroom*.

Cliby, Timothy L. (2003). *Improving Reading Achievement by Integrating Technology in After School Instructional Programs*.

Donovan, Judy. (2003). *Inservice Needs of Online Adjunct Instructors*.

Fernandez Silano, Mariano. (2003). *Desarrollo de un Ambiente Virtual de Aprendizaje en Salud Pública*.

Garcia, Irama. (2003). *Diseño Didáctico en la Modalidad a Distancia Basado en Hypermedia para el Área de la Salud Bucal*.

Garcia-Calvo, Javier. (2003). *El Uso De Talleres Virtuales Para Apoyar Y Motivar Al Estudiante Todo Menos Tesis (TMT)*.

Gonzalez, Maryori. (2003). *Desarrollo de las Habilidades de la Resolución de Problemas y Transferencia de la Matemática a Situaciones Económicas con el Uso de la Tecnología en Estudiantes de Álgebra Lineal en una Escuela de Economía*.

Green, Nancy L. (2003). *Rebuilding Daily Newspaper Circulation and Revenues Using Technology to Improve Reporting Practices and Staff Skills.*

Hatcher, Saryn L. (2003). *Improving Exceptional Students' Academic Behavior Performance Using Instructional Technology and Distance Education.*

Hernandez Cavajal, Nayesia Maria. (2003). *Desarrollo de una Comunidad Literaria Virtual para la Asignatura Expresion Verbal y Literaria.*

Houdeshell, James Jay. (2003). *Scaffolding Transfer Activities Through the Use of Concept Maps to Enhance Adaptive Problem Solving.*

Lopez, Maria Gertrudis. (2003). *Estudio de las Actitudes de los Profesores de una Universidad Tradicional Venezolana Hacia la Educacion a Distancia e Implementacion de una Comunidad Virtual de Aprendizaje como Estrategia de Difusion.*

Mendez, Pedro. (2003). *El Trabajo Pedagogico Colaborativo en la Educacion Superior Mediado por Herramientas Tecnologicas: Un caso de Estudio.*

Miguel, Vanessa. (2003). *Efecto de una Metodologia Basada en Tecnologias de Diseno, Instrumentacion y Evaluacion sobre el Rendimiento en Bioquimica de Estudiantes Universitarios de Medicina.*

Milagros Draegert, Maria. (2003). *El Uso del Tiempo en el Aula y el Rendimiento Academico de los Estudiantes de Educacion Basica en el Estado Bolivar.*

Paez, Jose de Jesus. (2003). *Efecto de Utilizer un Ambiente de Aprendizaje Asistido por el Computador Sobre el Proceso Instruccionalde la Asignatura Microbiologia General.*

Poggioli, Lisette. (2003). *Programa Instruccional en Estrategias de Aprendizaje en Linea para Mejorar el Desempeno Academico de Estudiantes Universitarios.*

Polo, Marina. (2003). *Actitudes Del Estudiantado Ante La Incorporacion De La Educacion A Distancia: Factores de Aceptacion o Rechazo.*

Portillo, Josephine K. (2003). *Performance-Centered Knowledge Management.*

Pujol, Lydia. (2003). *Efecto del Estilo de Aprendizaje y el Uso de Estrategias Metacognitivas en la Conducta de Busqueda de Informacion Precisa en Hipermedios en Estudiantes Universitarios.*

Raney, Larry D. (2003). *Improving the Engagement of Hydropower Plant Training Apprentices in Paper-Based Correspondence Course Training Through Instructional Design and Technology.*

Rodriquez de Ornes, Carmen. (2003). *Impacto del Desarrollo de Habilidades de Comunicacion Empatica en las Relaciones Interpersonales de Profesionales de la Salud Como Resultado de un Proceso Instruccional.*

Sabbag, Brenda D. (2003). *Using Instructional Technology to Reduce Costs of Mandatory Training in Health Care.*

Sirois, Margi. (2003). *Reducing Course Development Times by Subject Matter Experts in an Online Veterinary Community.*

Smith Brown, Cheryl D. (2003). *Pretraining Assessment to Improve Computer Skills of Alternative Education School Teachers.*

Taylor, Davida Audrey. (2003). *Middle School Teachers Learn Technology Integration One-on-One and Online.*
